1. I love you with the love of the lord, not; mine, father's. I love you. See what I have said, the power, beauty, elegance. Thank you, not; thank you deeply forever surrendered unto I Am.

2. I love you with the love of God, not; father is one and all love is. See what I have said, transgressed, not; but entered into the fullness thereof.

3. See what I am saying, my words of elegance de elegance.

You tap into it, not; you surrender/can only surrender into me/all of me, seeing my kingdom, being it/me. I love you all/extensively, extending not my repertoire of music notes but playing me extensively. Extending not not-me, but only me, I Am one.

11. One comes forth from the grave, not; living, lively, stones singing, emitting light waves/rays of only me in/of me; making no sorrow, not; for many flee the coming wrath of the just-not that try executing the not-me not, the me who are me who they can't touch when/as we are one/one'd. 16. I love you all'eth and have a good day, will you? I will/do. I rejoice/am rejoicing, elementing not the rejoicing-in-me but combining them into one, not; they already are. Me seen and heard not, not; **for all my are heard, seen, coming into spotlights of me not me, and me, and whoso can see the son standing on stars? Stars not that fall to the ground, but above them remaining, cast no seed to the ground, save his own, which required/brought forth resurrection for/into sonhood, adulthood; ration-hood not, logic demised, thought taking thought, mine, no longer; mine elevated into sonship deemed real and true, was all along, now seen by/with the angels who were, are; are again, one/me.**

17. I love you all'ing my troops not for warfare/battle, it all already won/established.

18. I love you "priesthood of all believers"-ing my warfare-ready into instant believers, not; those who have lain with me and seen my face/scars; felt my fears, not; but my face, and know that my face is theirs, my face is everyone they see; potentially, not; but in truth, reality; was, is again in surrender, all. I love you.

19. This is the moment time hour day and who can/shall see son of man glorified? All who want to/me that much, operating in the priesthood, not; but surrendering theirs to me. Thank you. Amen.

20. This is the moment all changes. Nations cataclysmic/reverse, inverting not; cataclysmic-intation. I love you all.

Intention'd not, purely unreserved, giving unto me their all find their all in me/my kingdom; finding all/their all in my kingdom, find themselves at my table: the head, me having invited them there.
